

My wife Margaret and I are proud members of the Christ the King community. Our son Patrick is the 4th generation of our family to call Christ the King his home Parish and 3rd generation to graduate from Marquette. We have joyfully served this parish in many capacities. It has been my privilege to serve as a Deacon since my Ordination in 2007. My undergraduate and graduate degrees are from the University of Oklahoma. In my spare time I enjoy cooking, traveling, playing bridge and following OU Sooner sports.
