RELIGIOUS INCLUSIVE STUDENT EDUCATION (RISE)

The mission of RISE is to provide children with special needs the opportunity for an inclusive Catholic education in their home parish school. Marquette Catholic School is blessed to be the first parish school in the Tulsa Diocese to implement such a program. The program is based on an "inclusion" model which allows for children with special needs to be in a regular classroom with the assistance of a teacher's aide and with the supervision of a special education specialist. RISE operates solely on the fundraising and donations of our community.
